

★ DELAWARE COALITION AGAINST GUN VIOLENCE

Delaware House of Representatives	Cody Ryan McNutt District 8 Libertarian
Would you support legislation to change the age of a person who can purchase a firearm in Delaware from 18 to 21, similar to HB 330 (during the 149th General Assembly)?	
No	18 is the accepted age of being a legal adult and all rights and privileges of being a citizen of these United States should be open at 18.
Would you support “unsafe storage of a firearm” legislation, which would revise the crime of ‘unlawfully permitting a child access to a firearm’ from a class A misdemeanor to a class B misdemeanor, similar to what was laid out in HB 366 (during the 149th General Assembly)?	
No	The storage of a firearm should be at the discretion of the owner.
Would you support efforts to prohibit the manufacture, sale, purchase, transfer, or delivery of large-capacity magazines, as they were defined in HB 375 (during the 149th General Assembly)?	
No	This is not an issue worth addressing.
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of assault weapons in Delaware, as they were defined in SB 163 (during the 149th General Assembly)?	
No	There is no such classification in the firearms industry. This is a made up term used as a buzz word to scare the ignorant.
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of silencers (suppressors) in Delaware?	
No	*suppressor.
Would you oppose Concealed Carry Reciprocity legislation, which would allow anyone who can carry a concealed gun in one state to carry it another?	
No	I support constitutional concealed carry.
Would you support legislation to ban the production, sale, transfer, distribution, possession, and use of 3D printed firearms?	
No	Such legislation is unenforceable.
