

★ DELAWARE COALITION AGAINST GUN VIOLENCE

Delaware House of Representatives	John A. Kowalko Jr. District 25 Democrat
Would you support legislation to change the age of a person who can purchase a firearm in Delaware from 18 to 21, similar to HB 330 (during the 149th General Assembly)?	
Yes	I have supported and continue to support common sense legislation that can slow the unnecessary proliferation of weapons that can be used against innocents.
Would you support “unsafe storage of a firearm” legislation, which would revise the crime of ‘unlawfully permitting a child access to a firearm’ from a class A misdemeanor to a class B misdemeanor, similar to what was laid out in HB 366 (during the 149th General Assembly)?	
Yes	A common-sense law that could prevent many tragic instances of accidental death. I have supported and continue to support this common sense legislation that can slow the unnecessary proliferation of weapons that can be used against innocents.
Would you support efforts to prohibit the manufacture, sale, purchase, transfer, or delivery of large-capacity magazines, as they were defined in HB 375 (during the 149th General Assembly)?	
Yes	As one of the prime sponsors of this common-sense legislation, I have supported and continue to support this legislation that can slow the unnecessary proliferation of weapons that can be used against innocents.
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of assault weapons in Delaware, as they were defined in SB 163 (during the 149th General Assembly)?	
Yes	As a sponsor and supporter of 163 I will continue my efforts in that regard
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of silencers (suppressors) in Delaware?	
Yes	Yes I would sponsor this and legislation that would impede the computer generation of guns by individuals. No person in their right mind should support any need or excuse for silencers in Delaware or in the United States.
Would you oppose Concealed Carry Reciprocity legislation, which would allow anyone who can carry a concealed gun in one state to carry it another?	
Yes	I cannot stop what other states legislate but I can protect the citizens of Delaware to the full extent of my authority
Would you support legislation to ban the production, sale, transfer, distribution, possession, and use of 3D printed firearms?	
Yes	Absolutely opposed to this nefarious opportunity to circumvent any and all gun control efforts.
