

★ DELAWARE COALITION AGAINST GUN VIOLENCE

Delaware House of Representatives	Krista Griffith District 12 Democrat
<p>Would you support legislation to change the age of a person who can purchase a firearm in Delaware from 18 to 21, similar to HB 330 (during the 149th General Assembly)?</p>	
Yes	<p>I would support similar legislation. As a legislator I will advocate for common-sense laws that reduce the potential for gun violence and mass shootings.</p>
<p>Would you support “unsafe storage of a firearm” legislation, which would revise the crime of ‘unlawfully permitting a child access to a firearm’ from a class A misdemeanor to a class B misdemeanor, similar to what was laid out in HB 366 (during the 149th General Assembly)?</p>	
Yes	
<p>Would you support efforts to prohibit the manufacture, sale, purchase, transfer, or delivery of large-capacity magazines, as they were defined in HB 375 (during the 149th General Assembly)?</p>	
Yes	
<p>Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of assault weapons in Delaware, as they were defined in SB 163 (during the 149th General Assembly)?</p>	
Yes	<p>Generally, these are firearms that do not serve the purposes of self-defense, home defense or hunting. These firearms should not be available for private use. I would be supportive of efforts to curtail their use and sale in Delaware.</p>
<p>Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of silencers (suppressors) in Delaware?</p>	
Yes	
<p>Would you oppose Concealed Carry Reciprocity legislation, which would allow anyone who can carry a concealed gun in one state to carry it another?</p>	
Yes	<p>I would oppose Concealed Carry Reciprocity legislation because every state varies in what it requires of individuals seeking permits. I am concerned that someone from another state may receive a permit and travel to Delaware without having gone through a proper criminal background check or received gun safety training. I could not support reciprocity until minimum standards are required.</p>
<p>Would you support legislation to ban the production, sale, transfer, distribution, possession, and use of 3D printed firearms?</p>	
Yes
