

★ DELAWARE COALITION AGAINST GUN VIOLENCE

Delaware House of Representatives		Melisa Minor-Brown District 17 Democrat	
Would you support legislation to change the age of a person who can purchase a firearm in Delaware from 18 to 21, similar to HB 330 (during the 149th General Assembly)?			
Yes	Long guns should be treated just as seriously as hand guns. Also, the ability to purchase a firearm comes with a level of maturity. Age limits for firearms are of the same importance, if not higher, than as of purchasing alcohol.		
Would you support "unsafe storage of a firearm" legislation, which would revise the crime of 'unlawfully permitting a child access to a firearm' from a class A misdemeanor to a class B misdemeanor, similar to what was laid out in HB 366 (during the 149th General Assembly)?			
Yes	We need people to take this seriously. Firearms must be stored in a safe space where they can't be accessed by a child or any unauthorized person.		
Would you support efforts to prohibit the manufacture, sale, purchase, transfer, or delivery of large-capacity magazines, as they were defined in HB 375 (during the 149th General Assembly)?			
Yes			
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of assault weapons in Delaware, as they were defined in SB 163 (during the 149th General Assembly)?			
Yes			
Would you support efforts to prohibit the manufacture, sale, offer to sell, transfer, purchase, receipt, possession, or transport of silencers (suppressors) in Delaware?			
Yes	Silencers make it difficult to locate active shooters.		
Would you oppose Concealed Carry Reciprocity legislation, which would allow anyone who can carry a concealed gun in one state to carry it another?			
Yes	The person should have to undergo the process that is required for the specific state in order to carry in that state.		
Would you support legislation to ban the production, sale, transfer, distribution, possession, and use of 3D printed firearms?			
Yes
